Boiler operator	Pipefitter, maintenance
Building maintenance repairer Electrician, maintenance	Plumber, maintenance
Lift station operator	Predictive maintenance inspector
Locomotive, mechanic	Sheet metal worker, maintenance
Machinist, composing room	Sheet metal worker, railroad
Machinist, linotype	Slide forming machine technician
Machinist, maintenance	Stationary engineer
Machinist, printing press	Waste water treatment plant operator
Machinist, railroad	Water and gas maintenance person
Maintenance, mechanic	Water mechanic
Millwright, maintenance	Water treatment plant operator
Operating engineer (diesel)	Water works operator
Operating engineer (steam)	Welder

GRAPHICS ARTS

Auto stitching and tipping machine operator
Bookbinder
Collator operator
Color matcher and ink maker
Composing room technician
Compositor
Cutting machine operator
Electronic pre-press operator
Engraver, hand
Envelope machine adjuster
Envelope paper cutter
Folding machine operator
Gathering machine operator
Lithographer, class "C"
Lithographer, color artist
Lithographer, color camera person
Lithographer, duplicator operator
Lithographer, half-tone and line photographer
Lithographer, offset press feeder
Lithographer, offset press operator

Lithographer, photo contact operator
Lithographer, platemaker
Lithographer, stripper
Lithographer, stripper layout artist
Lithographer, web fed
Offset camera person, stripper and platemaker
Offset press feeder
Offset press operator
Paper stock cutter
Photoengraver
Press feeder
Press operator, cylinder and platen
Press operator, flexographic label
Press operator, silkscreen semi-automatic
Press operator, steel die
Press operator, web fed
Printer, class "C"
Printer, job shop
Sheeting machine operator

POWER TRADE

Cable splicer
Electric meter person
Electric shop mechanic
Electrical mechanic
Electric meter tester
Electrician, powerhouse
Electrician, substation
Gas fitter
Gas meter repairer
Gas service person

Maintenance insulator
Mapper
Material control specialist
Meter mechanic
Meter tester
Plant administrative specialist

Plant attendant
Power lineworker
Power production repairer
Radiation production specialist
Refuse derived fuel processor
Relay technician
Repairer (steam)
Rigger
Rubber goods tester
Splicer mechanic
Steam heat utility person
Steamfitter-welder
Survey specialist
System field technician
Telecommunications technician
Telephone systems wirer
Tester, electric repair shop
Tree trimmer
Trouble technician
Utility service person Woodworker

MANUFACTURING

Assembler-welder	Heat Treater
Automatic screw machine operator	Hydraulics technician
Beveler	Iron shop person, arch and ornamental
Boat builder (wood)	Lighting designer
Buttermaker	Machinist
Cabinet maker/mill person	Machinist, tool room
Cheesemaker	Marker burner
Cloth cutter	Marking device mechanic
Coremaker	Mechanical assembler
Cupola tender	Metal display fabricator
Custom boot maker	Metal spinner
Die sinker	Metal trades pipefitter
Drafter, architectural	Miller
Drafter, design	Model maker
Drafter, electrical	Mold maker
Drafter, engineering	Molder
Drafter, mechanical	Monument maker
Drafter, ornamental iron	Neon tube bender
Drafter, structural steel	Patternmaker
Drafter, surveying	Pipe organ builder
Drafter, tool design	Pipe and tubing assembler
Drafting specialist	Printed circuit technician
Electrical cabinet and panel fabricator	Production sheet metal worker
Electrical motor repairer	Roll turner
Fabric cutter	Steel fabricator-fitter
Fabrication and layout person	Steel rule die maker
Fur cutter	Structural assembler
Furniture maker	Structural layout person
Furrier	Structural steel fabricator
Glassblower	Systems control technician
Glass machine operator	Template maker
Glass mold maker	Thermoplastic injection molder/supervisor
Glass worker (art)	Thermoplastic mold technician
Glass worker (stained)	Thermoplastic parts handler
Glass worker (warehouse)	Thermoplastic quality inspector
Granite cutter	Tool and die maker
Granite polisher	Tool and die repairer
Granite sandblaster	

PROFESSIONAL TECHNICAL

Administrative finance specialist	Interpreter, community
Administrative information specialist	Knowledge-based applications developer
Child care development specialist	Supported employment specialist
Finance technician	Translator, community
Information technician	

SERVICE INDUSTRY

Aircraft and engine mechanic
Airframe and power plant mechanic
Amusement device repair mechanic
Artificial limb mechanic
Automotive body technician
Automotive painter
Automotive technician
Automotive upholsterer
Baker
Bracemaker
Business machine mechanic
Camera repairer
Car repairer (railroad)
Central office equipment person
Chef
Combination telephone line worker
Commercial artist
Computer maintenance specialist
Computer operator
Contact lens technician
Cook
Custodial technician
Customer service representative
Dental technician
Diesel technician
Display and lettering Electrician
railroad
Electronics and control technician
Electronics technician
Electroplater and polisher
Engineering technician
Farm tractor and equipment technician
Farrier
Field engineering technician
Fire fighter
Fuel handler
Fuel injection servicer
Furniture finisher and repairer
Furniture upholsterer
Garage mechanic
Gunsmith
Heavy equipment mechanic
Highway equipment mechanic
Industrial truck mechanic
Instrument repairer
Internal combustion engine mechanic
Jeweler
Laboratory technician
Landscape technician
Locksmith
Machinist, aircraft
Machinist, automotive
Marine mechanic
Material handling equipment mechanic
Meat cutter
Motor boat mechanic
Motor engineering refrigeration
compression mechanic
Musical instrument repairer
Optical trades
Photographer
(commercial) Photographer
(portrait)
Punch press operator
Radio and television technician
Refrigeration service mechanic
Sausage maker
Scale servicer
Sewing machine mechanic
Shoe and boot repairer
Sign painter
Tailor
Taxidermist
Telephone servicer
Tool crib clerk and power tool repairer
Trailer technician
Truck and tractor technician
Watchmaker
Welder, job shop
